

APRIL 2011

Dear All,

I want to once again take this opportunity to wish you all Sri Kara Nama Samvathsara Ugadi Shubhakankshalu. It is my privilege to continue to serve TAGDV and again thank you all for giving me such a wonderful opportunity.

To continue our tradition, we had a successful summer 2010 Picnic, Deepavali and 2011 Sankranthi get together. During Sankranthi function, we conducted bone marrow drive to support Vinod Challaguntla. Additionally, in 2010 we successfully conducted a medical camp with support from local doctors and volunteers of youth committee; we continue to engage our next generation to play active roles in all events.

This year Ugadi function preparations are in full motion and our Executive Committee has worked hard to make it a memorable one. We received record number of entries for the 18th cultural competitions; about 200 participants will present their talent on 30th April 2011, followed by an exciting primetime program. Famous Actor **Mr. Sunil** will be our guest of honor and will entertain us during primetime; other distinguished guests who will preside over the function are actress **Miss. Vimala Raman** and local politicians **Jon Fox**, former congressman and **Diane Morgan**, Financial Controller for Montgomery County. We have also arranged for a fabulous dinner with traditional Andhra Bhojanam, made special for the occasion by Dosa Hut.

As we all are aware, we are facing some tough economic times in our country and TAGDV is also affected by the ill effects of the economy. In these difficult moments we were grateful to few main sponsors who came upfront and gave us a financial commitment which helped us to get going. It is our duty to recognize such donors and I hereby list some of the large sponsors and sincerely appreciate their contribution and commitment. Under Corporate Sponsors - Special thanks to i-Site Technologies for sponsoring Nikesha Patel (heroine) for Deepavali and Actor Sunil for this Ugadi. Special thanks to Mr. Venkat Garikapati for being Grand Sponsor for Ugadi. Also, thanks to Radiant Solutions, accountant Ravi Narayan for helping TAGDV to get the 501(3)c status free of cost. We are also grateful to Chateau Graneiri for hosting the Meet and Greet luncheon with the Chief Guests on to support the Social Services Committee. Thanks to TV9 CEO Mr. Ravi Prakash and their team for their continued support.

Year after year we barely meet our expenses due to continued increase in costs; majority of the school districts increased their rental fees by 30%, food costs have gone up are few examples. We are looking for continued support from our members and their friends which are main source of funds to offset the deficits. Please show your support by attending upcoming Ugadi program on Saturday 30 April 2011 with your family and donate generously to keep us going.

I welcome any suggestions and improvements, your feedback is important and helps us to improve and deliver better. Please feel free to call me at 610-792-5015 or e-mail me at sadluru@yahoo.com

Sincerely
Sailaja Adluru
